So are Keene and Pete going to get dragged up to the Hill and grilled.

Does Dana / NRA News know what to say and not say on this? If there is potential that anyone will be called on to testify it's probably prudent to say as little as possible.

And this is not true.

Here is the truth.

Keene is hosting a dinner. Torshin and MARIA at Keene's dinner.

In same restaurant, Sheets hosting a huge dinner....including donors, Pete and D jr.

There is some kind of mix up in the reservation. Keene has some kind of blow up.

In order to make Keene feel better, Pete brings jr. To Keene dinner to introduce him to Keene. They were there for 1 minute. Torshin got introduced, but he was not even the point.

Andrew and Jennifer,

Trust you are well and can help or get our questions to the right person.

We recently learned through our reporting new details about the closed door testimony of Fusion GPS co-founder Glenn Simpson before the House intelligence committee. Asked where to look next in the Russia case, we understand that Glenn Simpson alleged a wide ranging, long term, multi-faceted campaign by Russia that included the infiltration of the NRA. We are not aware that Simpson provided

further evidence to back up the claim.

We are reaching out for comment on Simpson's allegation. Our deadline is 5pm today.

Thank you in advance for the consideration and working with us.
